Fy Expenditures	\$8,114,964	\$8,290,630	\$4,157,311.84**

\* Collection of electronic monitoring fees during 2003 was lower due to a significant reduction in the average daily count of prisoners participating in the program. Traditionally, prisoners have had the highest rate of payment when compared to parole and probation populations.

\*\* An accounting change occurred between FY02 & FY03. This figure represents the Electronic Monitoring Center operations. The supervision cost for supervising offenders on electronic monitoring are now included in the Field Operations appropriation.
